### **Recruitment and selection of volunteers**

All staff employed (or volunteering) must be Garda Vetted through the **National Vetting Bureau (NVB)** and will not be allowed work with children unless they provide a copy of this to the school.

The Teaching Council arranges vetting for teachers newly appointed to the school before commencement of employment. Staff will be asked for copies of their vetting forms and these will be kept in the Principal's office. New Garda Vetting Procedures apply for all employees / volunteers from 29<sup>th</sup> April 2016 – **See Circular 0031/2016**

In addition, the child protection-related Statutory Declaration must be provided by all persons appointed to teaching and non-teaching positions of any duration. The school must obtain and view the original statutory declaration and retain a copy for its own records.

### **Supervision of children**

School routines and procedures will be followed by all staff to ensure that there is comprehensive supervision of school at all breaks and on all trips and tours. See *Supervision Policy*.

### **Early withdrawal of pupils**

Any child leaving the school before the end of the school day must be signed out by a parent / guardian in the office. The parent / guardian should enter the school via the door near the office. If they are not known to the Principal / secretary they should be asked for identification. (If another adult is collecting the child, the school must be informed either by phone or in writing by the parent / guardian, as to the identity of the adult collecting their child.)

### **Collection of children at home time**

Infants are collected at 2:00pm and are released into the care of parents / guardians or adults identified to the school (by parents / guardians) at the beginning of the school year e.g. child minder etc. If a person outside of these named adults is to collect an infant pupil on a given day, the school must be informed of the identity of this other adult either verbally in person, or by phone, or in writing. Equally if a child is to be collected by a classmate's parent etc., the school should be informed in advance, again either verbally, or by phone, or in writing. If the school has not been informed of a change as above, the school will not release the pupil into the care of another adult. The school will attempt to contact the parents / guardians to confirm the collection details.

Children from 1<sup>st</sup> to 6<sup>th</sup> Class walk to the school gates on exiting the front door, where depending on arrangements made by their family, they either are met by an adult etc. or take the school bus. Any child remaining at this point / unsure of who is collecting them etc. is brought to the office, where a

call is made to their parent / guardian. If there is a change to the collection plans made with the child, parents / guardians should contact the school so that they can update the child.

### **Changes in Family Circumstances**

If there are any changes in family circumstances (separation of parents etc.), the school will continue to release the child into the care of either parent (assuming both have guardianship).

In the event of a court order, furnished to the school by a parent, the school will only release the child into the care of the adult / provide access as directed by the court. In such circumstances, the school has internal systems in place to ensure communication with relevant staff members, so that they are aware of these changes.

### **General Conduct**

Children are to be encouraged at all times to play co-operatively and inappropriate behaviour will be addressed under our *Code of Behaviour* and *Anti-Bullying Policy*.

If an incident occurs which is considered to be of a sexualised nature, the reporting procedures outlined in Chapter 5 of the *DES Child Protection Procedures* will be followed.

### **Visibility**

Teachers will ensure that children are visible in the school yard. Children will not be allowed to spend time in classrooms where they would not be under adult supervision. They are allowed to leave the school yard only to go to the bathroom with the permission of a teacher on the yard.

### **One-To-Teaching / Activities**

Any activity which involves a child to staff member (teacher or SNA) ratio of 1:1, should take place in a room with a glass panel window on the door for visibility. Otherwise the door of the room in which they are working should be left open for the duration. Any blinds etc, on the glass panel on the door, should be opened for the duration also. Only staff members (who are all vetted appropriately), should engage in 1:1 activities.

The Principal is responsible for ensuring that any visitors who are to work with children on a 1:1 basis are appropriately vetted (e.g. HSE nurse, Psychologist, Photographer etc.). The procedure outlined above will be followed in these cases also.

### **Access**

All school entrances are secured after the children enter the school at 9:30am and after each break. A key is required by staff members to gain access. All others seeking access must do so through the main door.

## **Visitors/ Guest Speakers**

Teachers on yard duty will be aware of visitors entering the school yard and will re-direct them to the office etc. as necessary . All external tutors/ trades people/ visitors sign in and out of school at the office.

Guest speakers or External Teachers (even if appropriately vetted) are never left unsupervised with pupils. The class teacher or supervising teacher is responsible for the pupils at all times. The school has a responsibility to check out the credentials of the speaker and to ensure that the materials in use by guests are appropriate.

## **Relationships and Attitudes**

Teachers should ensure that their relationships with students are appropriate to the age, maturity and sex of the children and that their conduct does not give rise to comment or speculation. Attitudes, demeanour and language all require care and thought when dealing with older children.

## **Physical Contact with Children**

Teachers are advised not to make unnecessary physical contact with children. However, a distressed child may need reassurance involving physical comforting such as a parent might provide. Physical punishment is illegal as is any form of physical response to misbehaviour, unless it is by way of restraint using the minimum force necessary to ensure the safety of the children / adults involved. *See Guidelines for Physical Interventions & Restrictive Practices.*

Whenever possible this should be done in the presence of others. First-aid to a pupil should also be administered whenever possible in the presence of others. Following any incident where a Teacher feels that his / her actions may be misconstrued, a written report of the incident should be submitted immediately to the Principal.

## **Swimming**

Children travel to the pool in Graiguecullen in a bus accompanied by two teachers. Parents of children unable to dress and change themselves meet the bus at the pool. These parents are subject to Garda vetting. (It is ensured annually that Garda Vetting for parents have been updated & are in date. New procedures apply from 29<sup>th</sup> April 2016).

The teacher/adult stands at the door of the changing room which is slightly ajar. The teacher can then keep an eye on the children lining up on the corridor and the children in the changing room. Vetted parents are allowed access the changing room. On no account should a teacher or parent be alone in the changing room with the children.

If a child needs to go to the toilet during the pool time, he / she is accompanied from the pool area to the bathroom door by the teacher and escorted back to the pool when finished.

### **Travelling Arrangements**

Teachers / staff member will not carry children alone in their cars. At least two children must travel with the member of staff in the car or another adult and child. Necessary insurance to transport children in a private vehicle should be in place.

### **Induction of Teachers and Ancillary Staff**

The DLP, **Mrs Eleanor Drennan**, will be responsible for informing all new teachers and ancillary staff of this Child Safeguarding Statement, DES Child Protection Procedures and and the *Children First Guidelines*.

### **Attendance**

We monitor trends in non-attendance in terms of possible neglect, physical or emotional abuse. See *Attendance Policy*

### **Toileting / Intimate Care Needs**

If a child requires assistance with toileting (regularly or as a once off due to illness etc.), two members of should assist the child in this instance. See *Intimate Care Policy (if required)*

### **DVDs**

Staff will always ensure that any DVD shown or video footage shown through services such as RTE Player / Netflix or similar, to the children is age appropriate and is educational in content.

### **Internet Safety**

Children will only have access to websites deemed age-appropriate. All other sites are blocked using the NCTE filters.

Photographs of children are only placed on the school website / other sites deemed appropriate by the school with parental permission.

Internet Safety talks are provided every three years for both parents and pupils. St Brigid's NS, Coon is pro-technology and we attempt to make our pupils and staff aware of any dangers, to the best of our ability, especially those dangers linked with child protection concerns. See *Acceptable Usage / ICT Policy*.
